# Kozmic poem #1

Miquel Parera

Gonzo Robot Series

[eng]

#474-TEFE043

### **Kozmic poem #1.**

1-Psyche lost in space.

On the borders of my journeys between universes,  
My mind is lost in a state of contemplation.  
There is no action, only landscapes  
Cosmic and conscientious.

2-Without theocentric pact.

Stars, galaxies and worlds without theocentric pact,  
Waiting to be animated by my gaze.  
There are no spheres inside.

3-Objects without models.

Abstractions float in space,  
temptations without a model,  
frost, fire, yearnings ...

4-Spatial logic and subatomic sense.

Logic guides the ship to the concrete,  
the subatomic sense infects with chaos,  
the yearning for freedom turns to death.

5-A mutant grave.

And inside the grave a winged being is stirred,  
Your guts will never contain life  
Your eyes will never breed.

6-Observe the cosmos with a full belly.

The first and last freedom  
is to observe the cosmos  
With a full belly.

[esp]

#474-TEFE043

### **Poema cósmico #1.**

1-Psyche perdida en el espacio.

En las fronteras de mis viajes entre universos,  
la mente se pierde en un estado de contemplación.  
No hay acción, sólo paisajes  
cósmicos y de conciencia.

2-Sin pacto teocéntrico.

Estrellas, galaxias y mundos sin pacto teocéntrico,  
esperando a ser animados por mi mirada.  
No hay esferas dentro.

3-Objetos sin modelos.

Flotan en el espacio abstracciones,  
tentaciones sin modelo,  
escarcha, fuego, anhelos...

4-Lógica espacial y sentido subatómico.

La lógica guía la nave hacia lo concreto,  
el sentido subatómico infecta con caos,  
el anhelo de libertad se vuelca hacia la muerte.

5-Una tumba mutante.

Y dentro de la tumba se revuelve un ser alado,  
sus entrañas nunca contendrán vida,  
sus ojos nunca engendrarán.

6-Observar el cosmos con la barriga llena.

La primera y última libertad  
es observar el cosmos  
con la barriga llena.

# 474-TEFE043

### **Poema còsmic # 1.**

1-Psyche perduda en l'espai.

A les fronteres dels meus viatges entre universos,  
la ment es perd en un estat de contemplació.  
No hi ha acció, només paisatges  
còsmics i de consciència.

2-Sense pacte teocèntric.

Estrelles, galàxies i mons sense pacte teocèntric,  
esperant a ser animats per la meva mirada.  
No hi ha esferes dins.

3-Objectes sense models.

Suren en l'espai abstraccions,  
temptacions sense model,  
gebre, foc, anhels ...

4-Lògica espacial i sentit subatòmic.

La lògica guia la nau cap al concret,  
el sentit subatòmic infecta amb caos,  
l'anhel de llibertat es bolca cap a la mort.

5-Una tomba mutant.

I dins de la tomba es regira un ésser alat,  
les seves entranyes mai contindran vida,  
seus ulls mai engendraran.

6-Observar el cosmos amb la panxa plena.

La primera i última llibertat  
és observar el cosmos  
amb la panxa plena.
